

ANTON

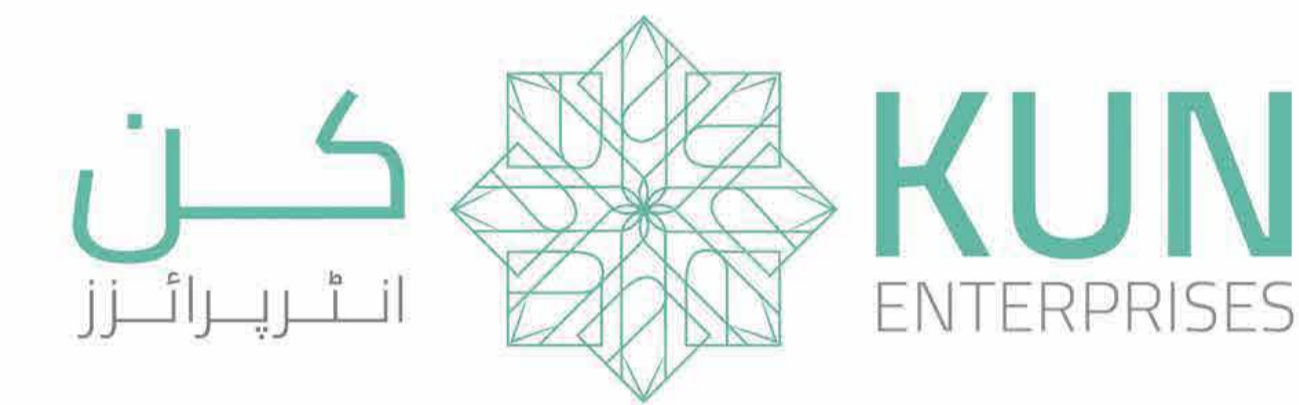

What do you dream of, when you dream of the ideal home? Is it the location? The accessibility? The architecture? Is your home a haven of luxe interiors and unparalleled convenience? Is it where you gather with friends and family and enjoy the finer things in life? Your dreams are customized to your life experiences. Luckily, so is Fantom.

Located in Islamabad's serene, yet metropolitan, Diplomatic Enclave region, Fantom Luxury Residences and Suites offer a lifestyle unlike any other. Be part of the capital's ever-advancing innovative living while maintaining welcome distance from the hustle and bustle of urban life. Live minutes away from every direct route in the city, enjoy luncheons in the city's best restaurants, grab a quick coffee from cafes, indulge in relaxing visits to your in-house spa and social hub while being part of the most dynamic community in the city.

**Your dream home,
in real life.**

FANTOM

Kun combines decades of pioneering experience from various industries. Our forte, Real Estate Development, is reflected successfully in our numerous commercial and residential projects decorating the skyline of Islamabad's different sectors. Kun Enterprises lays the foundation of modern residential experience with Fantom's exclusive living standard.

Umar Hussain Malik

Umar Hussain Malik is an Islamabad based industrialist, with more than 25 years of developmental, managerial and financial experience accredited to his company Karachi Steel Mills. Mr. Malik is also an avid supporter of providing secure and sustainable living to the residents of Islamabad.

Ahmed Ibrahim

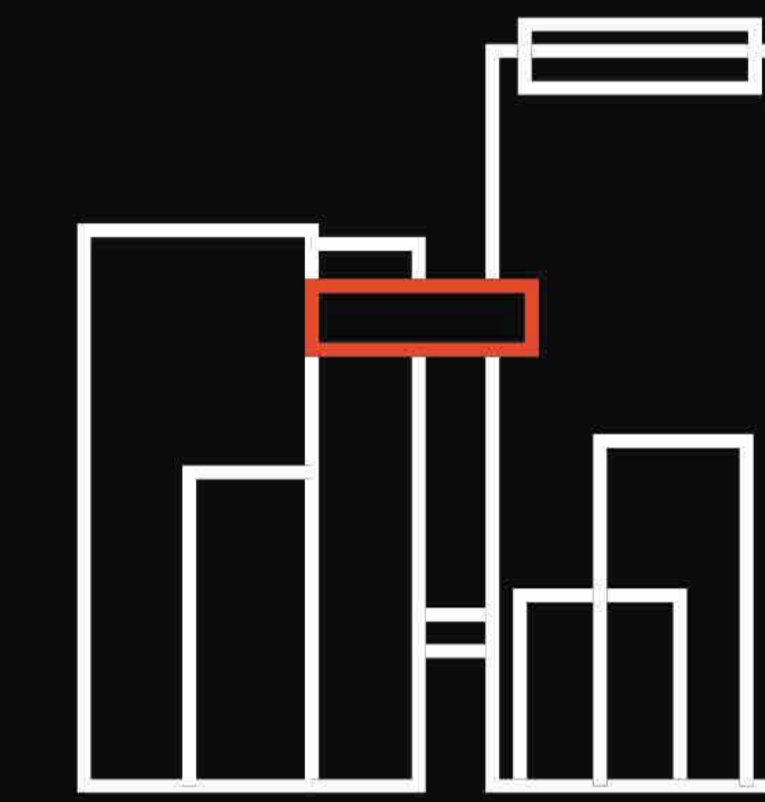

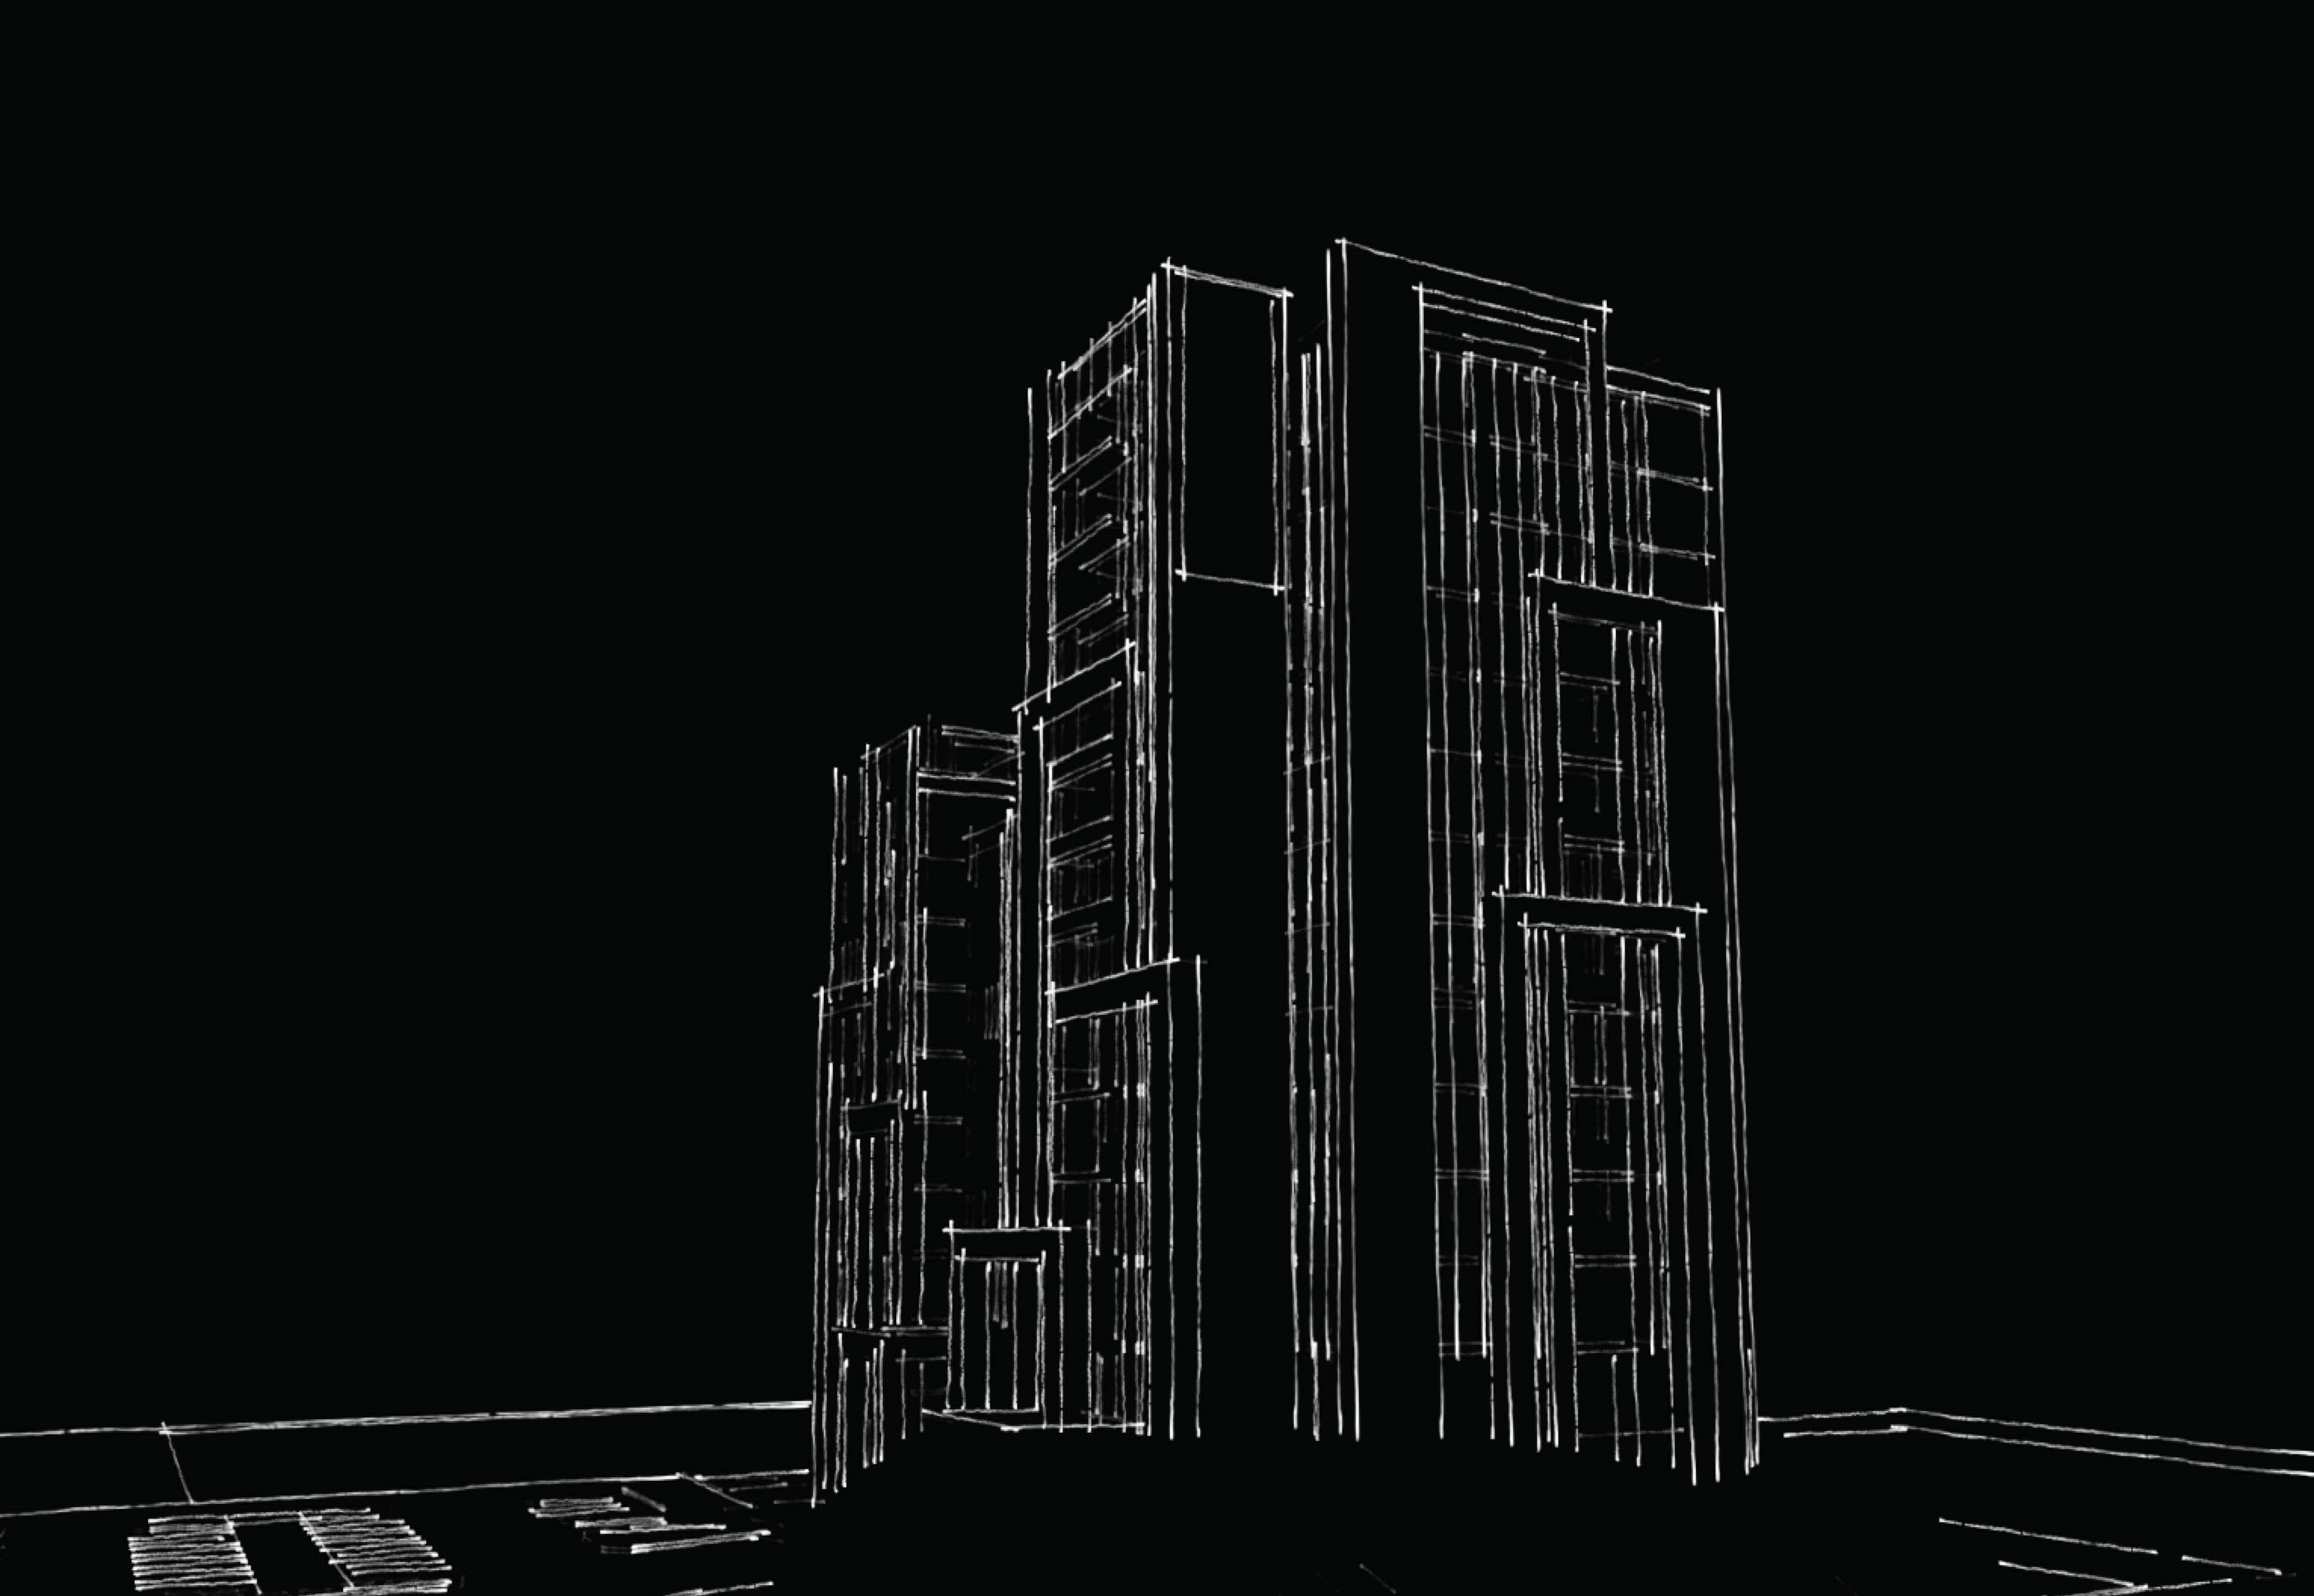

An ardent admirer of architecture and design, Ahmed Ibrahim culminates his appreciation through his real estate development career spanning over two decades. His projects stand out in uniqueness, innovation and function and are executed to perfection.

Shahid Khan

Shahid Khan is a graduate of NCA. Accredited for delivering prestigious projects such as Silver Oaks Apartments in Islamabad, Mr. Khan is the Principal Architect of Icon Design and Architecture, one of the most reputable design firms in Pakistan.

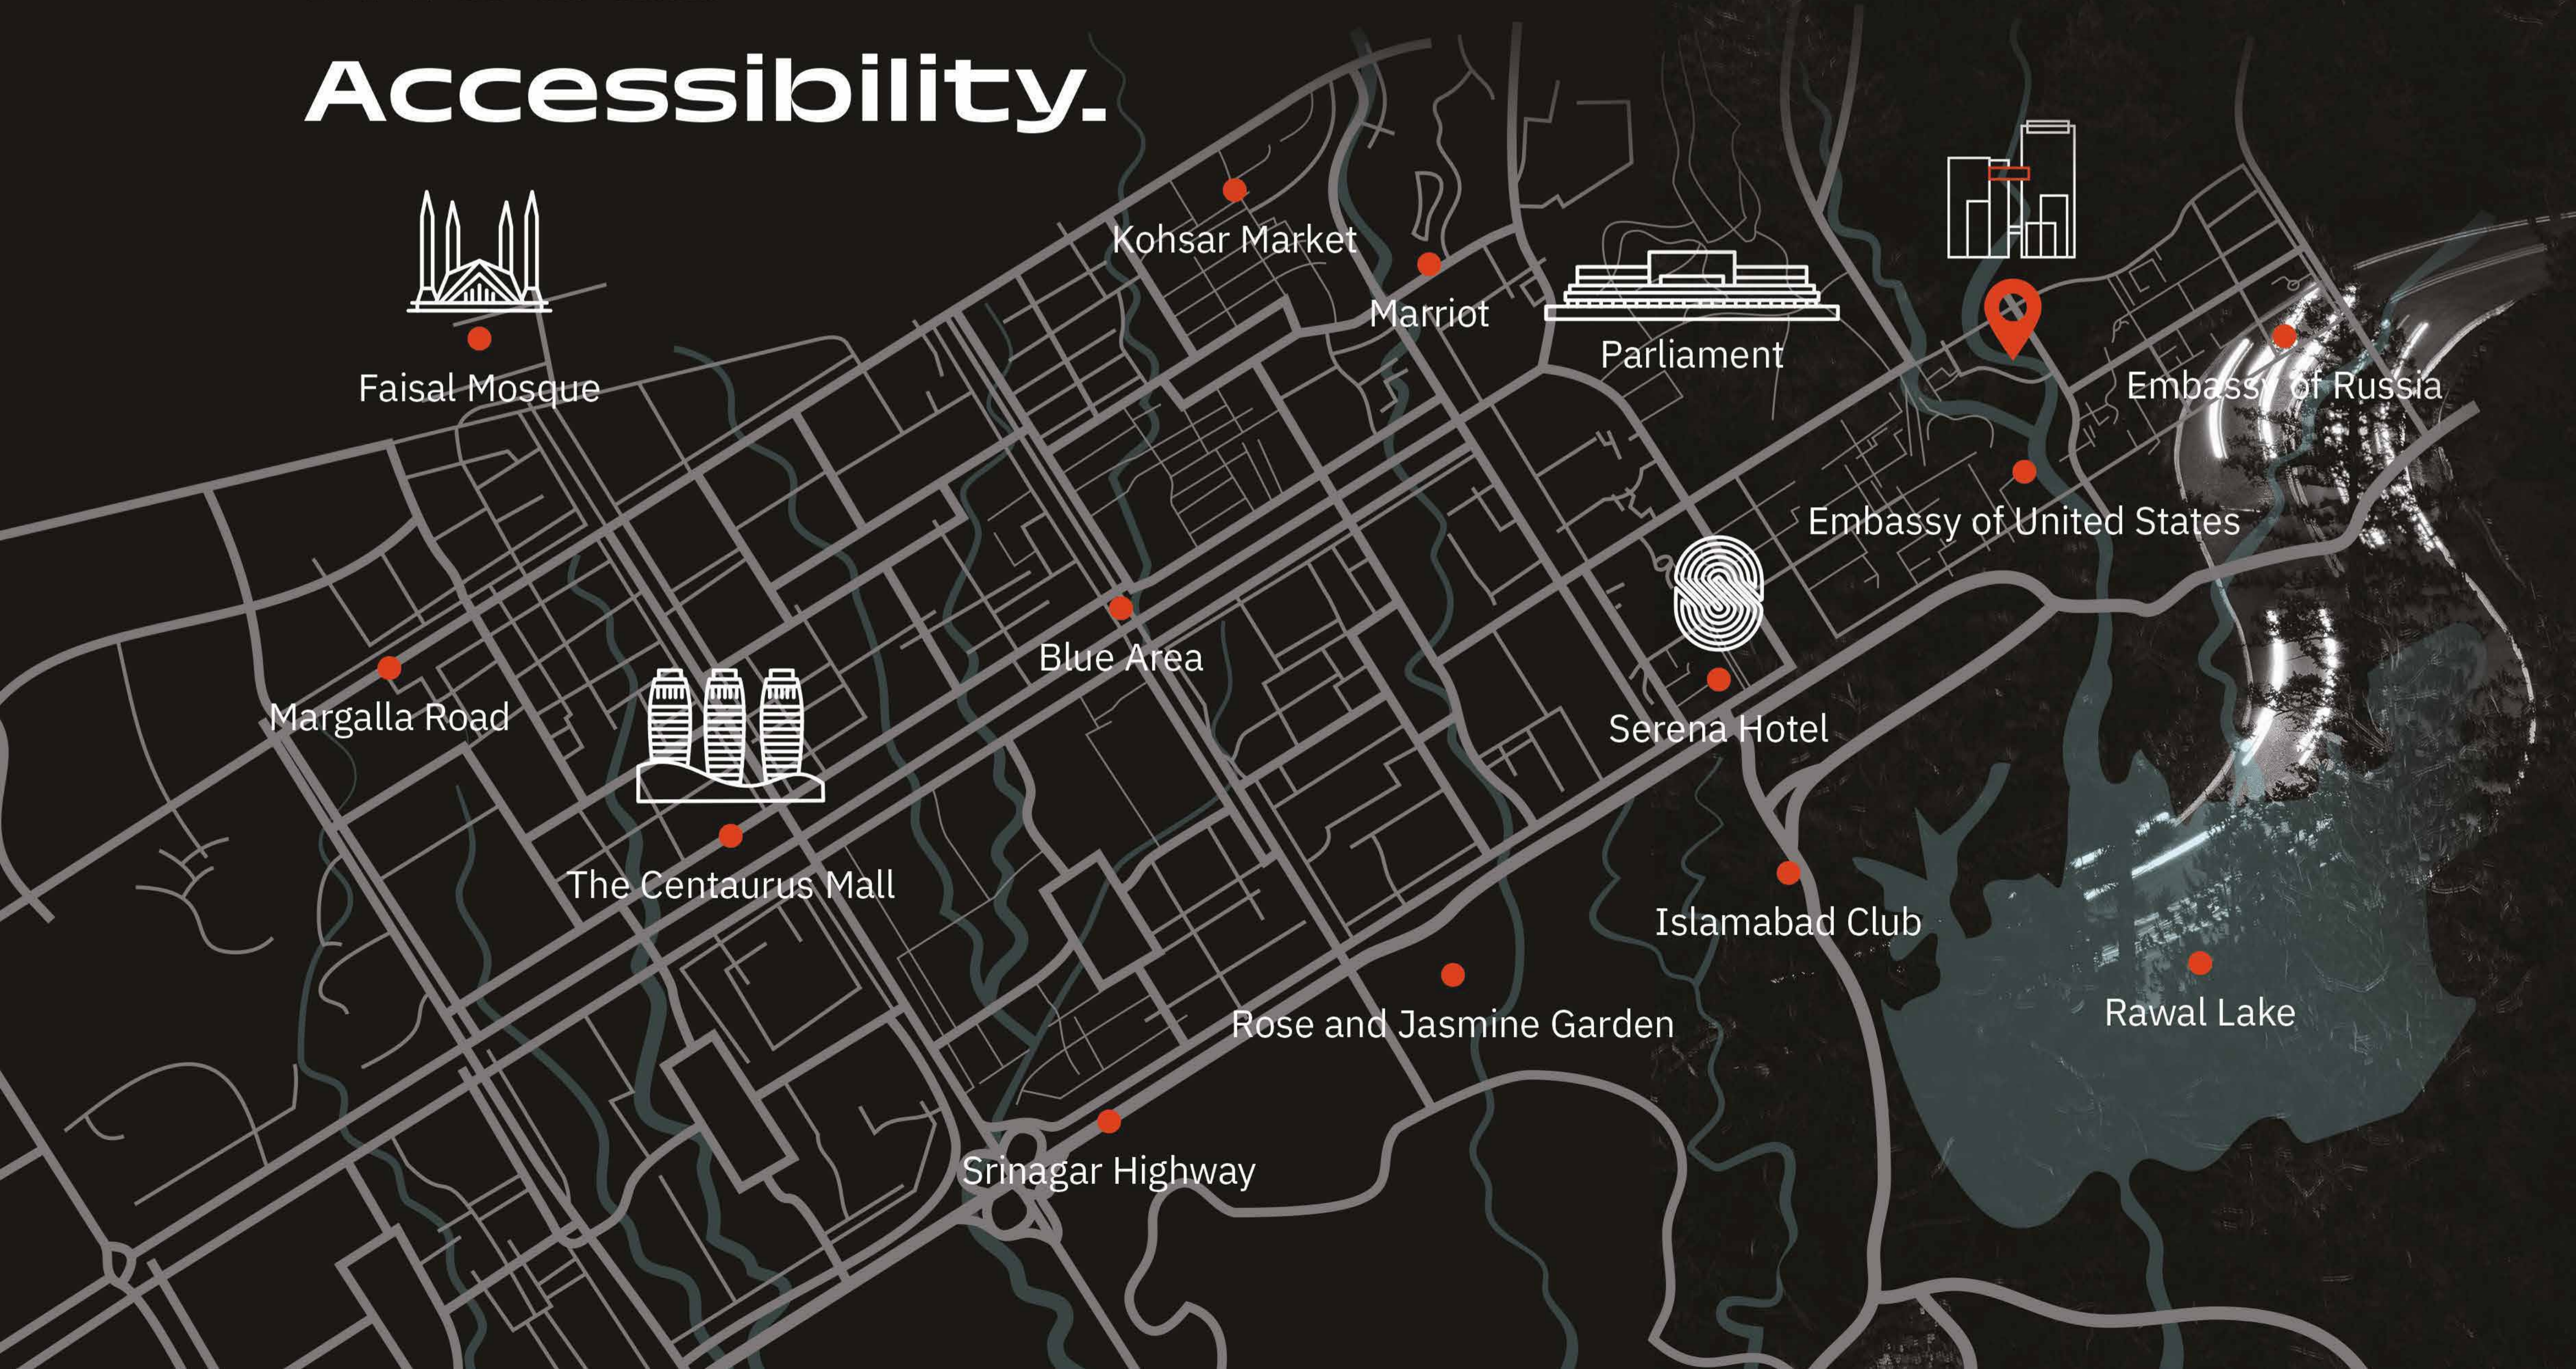

Muhammad Mustafa Bin Talha

Renowned and seasoned, Mustafa bin Talha is an industrialist, leading Volta and Osaka Batteries. Mr. Mustafa's glorified career is owed to his uncompromising attitude towards quality and reliability, reflecting in the nationwide success of his companies.
